

A PRAYER OF FAITH AND SALVATION

 God,

I now know that I want my life to be fully in your hands. This is right. It is time for me to hold back no longer.

You have brought me to this place. I know I am not merely imagining that you are real, and I am not just following what my friends and family want.

And so I confess to you that I am a sinner. I have sinned in my thoughts, and in my words, and in my deeds. Sometimes I sinned intentionally, and oftentimes by mistake. I want you to be the master of my life, not sin.

I confess that I believe in Jesus Christ. Though I have much to learn, I understand Jesus came to save us from our sins. His life was perfect, and in his death on the cross he offered forgiveness. He is Lord of all.

I humbly accept your great gift of mercy. You have done this, great God.

Heavenly Father, I want to live under your care every day.

Lord Jesus, it is right for me to follow you.

Holy Spirit, I am empty unless you fill me, broken unless you heal me, weak unless you empower me.

I am uncertain of what will happen next in my life, so help me, dear God, to have faith every day. Bring people into my life who can teach me what life in Jesus can be. I throw myself on your mercy today.

I pray this prayer with faith in you and in your amazing grace.

Amen.
