

AN EVENING PRAYER

DEAR LORD,

As this day ends I am glad to be able to rest in you. I believe that you are with me and that you hear my prayer. May the good things that happened today be planted deeply in the memory of my heart and shape me into a better person. Help me to learn from my mistakes and sins. Thank you for the promise of a new beginning when I awake. Now allow me to rest in you and you alone, body, mind, heart, and soul, to awake refreshed in the goodness of your care. In Jesus' name, Amen.
